

## 穆斯林世界的福音運動 (Part III)

### Jesus' Resource: Engaging the Impossible in Prayer

Prayer is the greatest weapon that any disciple maker can wield, and God's people are using it effectively around the world at this very minute. Prayer takes the spiritual battle out of the human realm and puts it fully into God's hands, and not even the powers of hell itself can stand against His mighty Spirit. It is prayer that has opened the doors of mosques, torn down the walls of bigotry and broken the weapons of hatred. There are several crucial elements of disciple making...but one is always the starting point and sustainer: *prayer*.

Acts 16:14 describes the goal of intercessory prayer: to reveal a person of peace. Notice the result of prayer, highlighted in italics, "Now a certain woman named Lydia heard us. She was a seller of purple from the city of Thyatira, who worshiped God. *The Lord opened her heart to heed the things spoken by Paul.*" You will discover that the unanimous testimony of thousands upon thousands of former Muslims who have accepted Christ is the extreme joy and assurance of a loving Savior, an ability to breathe the air of personal freedom, and thanksgiving for the healing that comes from Jesus' hand. For this to happen, someone needs to be praying:

Father, forgive them, for they don't know what they do. Father, answer their daily prayer to know the right path; may they see it and believe. "For they being ignorant of God's righteousness, and seeking to establish their own righteousness, have not submitted to the righteousness of God" (Rom 10:3).

#### Four Elements of a Prayer Strategy:

1. Leaders living and modeling personal disciplines of prayer.
2. Praying for new regions and pioneer teams.
  - Spiritual scanning: gaining an understanding of the historical, social, cultural, and spiritual issues that may be barriers or assets in the process of making disciples and planting churches in a particular region.
3. Training new Christians to pray.
  - It is important to understand that we train new Christians to pray, we don't teach them. New believers learn how to pray by spending time in prayer with more mature believers.
4. Developing intercessory prayer in every home church.
